At RBC, our communities are that heart of everything we do. Through RBC Foundation, RBC bank gives back 1% of its annual profit and earnings. RBC Foundation is one of the largest corporate foundations in Canada and proud member of Imagine Canada.

RBC Foundation donations benefit a broad cross-section of non-profit organizations, both large and small - from the arts, the environment, mental health programs to organizations that support youth, newcomers, women and the most vulnerable in our communities.

Plus, we work closely with our community partners to offer support, beyond cash donations. RBC employees give back by volunteering, hosting workshops on skills, financial literacy, for women, newcomers, students through initiatives such as RBC Future Launch as well as serving on boards and participating in fundraisers such as RBC Race for the Kids.

“Behind the RBC logo is a big heart. Giving back to our community is simply part of who we are,” said Marjolaine Hudon, Regional President, for RBC throughout Ontario North and East. “In the Capital Region alone, we’re proud to give back over \$2 million dollars every year.”
