This award recognizes a corporation that demonstrates outstanding dedication to community through philanthropic giving to local charitable organizations. This corporation exhibits exemplary civic and charitable duty and generosity and motivates others to take philanthropic leadership roles.

CLV Group

For over 45 years, CLV Group has been taking pride in helping renters and homeowners find the perfect place to call home, and in developing strong communities. Their communities are characterized by the care and quality they place in design and maintenance; a helpful and friendly team; a personalized experience; and 24-hour emergency service. CLV community residents take comfort knowing that they're well looked after by a team of dedicated professionals.

Perhaps their greatest source of pride is the support that they provide and their engagement in the broader communities in which they operate. Their annual charitable golf tournament alone has raised over \$5 million in support of various charities including [Boys and Girls Club Canada's](#), [Habitat for Humanity](#), [Youth Services Bureau](#), [The Snowsuit Fund](#), [Christie Lake Kids](#), [Olde Forge Community Resource Centre](#), [The Ottawa Hospital Foundation](#), [Ottawa Food Bank](#), Interval House, and many more. Their engagement has never been more critical than in the last two years, with many communities in desperate need of support. Through their #CLVSupportsLocal campaign, they spent \$100,000 at local merchants who were particularly hard hit by the pandemic. The McGahan/Facchin family contributed an additional \$100,000 in local spending, by providing money to the Ottawa Foodbank, and asking them to purchase food through local restaurants to create a twofold impact in the community. These are just a few of the many charitable initiatives that they have undertaken. CLV feels fortunate and humbled to be able to give back.
