

Sezlik.com - Outstanding Small Business Philanthropist

The team at Sezlik.com has been helping Ottawa residents buy and sell their homes for over 40 years, and continues to be a leader in Ottawa's luxury real estate market. Their boutique service is defined by a legacy of excellence and community involvement; established by the firm's late founder, Cindy Sezlik.

Consistently awarded as a top realtor in Canada, giving back to the community is deeply rooted in the foundation of Sezlik.com's business. Perhaps the best example of Sezlik.com's strong spirit of giving back is their support for CHEO over the past 10 years. From the first time they sponsored CHEO's iconic Trees of Hope event in 2013, their creativity and commitment to this event has grown every consecutive year.

In 2017 Sezlik.com became one of the first sponsors of CHEO's annual Teddy Bear's picnic - an initiative which allowed many of the 4,000 attending families to enjoy a free pancake breakfast. Far beyond writing a cheque, you will find the small but mighty team at Sezlik.com donating their skill, energy, and enthusiasm to these events as well as many others within the community.

Other charitable organizations such as the University Heart Institute, Royal Ottawa Mental Health Centre, Shirley Greenberg Women's Health Centre, the Shoebox Project, the Snowsuit Fund and United way, among several others, are examples of Sezlik.com's commitment to serving their community. Leaders in every sense of the word, the team at Sezlik.com are grateful and honoured for the opportunity to be recognized for their community involvement.
