

AFP Affiliate Volunteerism Policy

As a chapter and affiliate of the Association of Fundraising Professionals (AFP Global), the Ottawa Chapter benefits when its members and volunteers serve on the boards and committees of other AFP affiliates at the national and international levels. These affiliates include AFP Global, AFP Canada, and the AFP Foundation for Philanthropy - Canada.

Serving at the national and international levels can help extend and deepen engagement of senior level fundraising practitioners with AFP, to the further benefit AFP Ottawa.

The Chapter will promote affiliate volunteer opportunities to members and directors, with an aim to have at least two Chapter members or directors serving on Affiliate boards or committees at any given time.

The Chapter will make every effort, including providing financial support when possible, to facilitate maximum Chapter participation in the Canadian Leadership Retreat.
